14th December 2017

Minimarines

Starting from the 2nd of January 2018 (the first day of the spring term), 35 lucky children from years 5 and 6 will be participating in an exciting programme called Minimarines.

This 11 week programme will run every Tuesday morning for the first session of the day. Much of the programme will take place outside regardless of weather conditions, therefore the children will need to come to school suitably dressed for the conditions on the day.

An example of suitable clothing might include: **jogging bottoms, several warm layers and a waterproof top coat, hat, gloves and suitable footwear.** Many of the activities will involve physical movement, so please bear this in mind. School uniform should be brought to school to change into after the session. A snack for after the session might be beneficial.

Please note that all children will be expected to participate and forgetting clothing will not mean they will not join in. There is a certificate of attendance for completing all 11 sessions.

We are expecting this to be an exciting, challenging experience for the children and a valuable addition to our Health and Wellbeing curriculum. The full cost is being met by the school.

Yours sincerely

Mrs K Burke
