Dear Parents/Carers,

28<sup>th</sup> February 2018

## INFORMATION REGARDING EXTREME WEATHER CONDITIONS

As you are probably all well aware, at some time tomorrow we are expecting to be hit by the adverse weather conditions currently affecting the rest of the country. At the moment the local weather reports and Gloucestershire County Council are warning that this will be around 3.00pm. **With this in mind, I have decided to close the school at 2.00pm on Thursday 1<sup>st</sup> March.**

This is the current plan but weather conditions are changeable and we ask you to consider the following:

1. Snow arrives during Wednesday night or is falling early Thursday morning please check the school website and/or local radio stations for school closure details.
2. Snow does not arrive until Thursday but arrives earlier than the 2.00pm planned closure, please make your way to school. We will endeavour to make as many phonecalls as possible but you should not wait for the call if the weather has already taken a turn for the worse.

Families who have paid in advance for swimming will receive a refund at the end of the swimming sessions. Those who pay weekly and have paid for this Thursday will receive a credit next session.

As with any weather related issue it can be unpredictable but I am hoping that the above will allow families and staff to travel home as safely as possible.

Yours sincerely,

K. Burke  
Head Teacher
