

Yorkley School Performance Results – A Summary of our Key Stage 2 Results 2017-2018
Floor targets were met.

This page provides an edited summary of Yorkley School's provisional performance results as provided by the Department for Children, Schools and Families (DCSF) and the department for Education (DFE). Links to the raw data are available via the Ofsted and Parent View link on the website. By December results will increase as amendments will be applied (progress measures will also go up).
