

The Wider Curriculum

Yorkley is an inclusive school and there is an expectation that all children will be able to participate in the whole school curriculum with the appropriate level of support.

Our Creative Curriculum offers wide opportunities such as: visitors to the school, exciting visits, whole school themed days or weeks, use of the local environment and much more to create a dynamic learning experience for all.

We frequently welcome parental participation in such events; if you feel that this is something that you are able to support, please let us know.
