

The Role of the SEND Governor

The Named SEND Governor at Yorkley School is Mr Alan Castle. The Governor is responsible for making sure that the appropriate level of support is being put in place for any child attending the school who has SEND; this happens through continued monitoring, support and communication with the SENCo (Special Educational Needs Co-ordinator). In carrying out this role the governor helps to ensure the best possible outcomes for the school and the individual children who have been identified.

The SEND Governor will report on the progress and outcomes of SEND to the governing body and produce an Annual Report of his findings.
