

### Residential – Culmington Manor

Dear Parents/Carers,

Thank you for returning your feedback forms regarding next year's residential trip in Shropshire. The overall majority chose the four night stay, so I am pleased to advise you that this has now been provisionally booked for Monday 6<sup>th</sup> June – Friday 10<sup>th</sup> June 2022. The total cost of the trip is likely to be in the region of £445 (to be confirmed depending on coach costs and number of children going).

The cost includes:

- Transport
- Insurance
- Four nights accommodation (five days) in en-suite rooms
- Secure, enclosed site
- Three generous meals per day
- Fully certified instructors (first aid trained) working with each group, approx. 1:8 ratio
- Top quality, inspected outdoor equipment and safety gear
- Full days of activities and evening entertainment

Payments should be paid through ParentPay. You should have already received log in details for your child(ren) however if you need a copy of these please contact the office. The full deposit/payment amount can be made or there is an option to make smaller instalments but the full amount must be paid before each deadline date.

My ideal would be that all of the children take part. Please do not let reluctance/shyness put your child off – many of our quietest children really flourish and finish the week feeling very pleased with themselves. The visit is a year away and children can change a lot in that time. We have never had to send one home with homesickness yet! If your child does not want to go on the residential, they will still be required to come into school for the week.

Yours sincerely,

Mrs K. Burke
