Dear Parents/Carers,

We are going to start using **ClassDojo**, which is a school communication platform that teachers, students and families can use to keep us all connected during the school closure.

Our intention is that it will be used to share lesson ideas and resources, so that we can keep connected with the children's learning whilst they are at home. Teachers may post the following: daily tasks and reminders, worksheets, links to online resources, pictures or videos to aid learning. Parents can also upload photos, which will only be shared with the class. It will be also be used for light communication, which will be monitored and any concerns or serious communication needs to continue to go through the school office.

You will receive a text message with your **code** to access the online classroom. See below for details on how to join.

#### New to ClassDojo?

1. Download the ClassDojo app or visit <https://www.classdojo.com>
2. Open app and tap 'Parent' to create a parent account
3. Enter name, email & create a password
4. Tap 'Add child (+)' and use your code

#### Already have a Parent Account on ClassDojo?

1. Open the ClassDojo app on your phone
2. Log in as a Parent (if you aren't already). Ensure you're logged in as a Parent, not a Student or Teacher!
3. Tap the Kids section/avatars at the bottom of the screen
4. Add child using your code

In addition, staff will continue to add links to resources onto the website.

We hope you and your children enjoy using ClassDojo, as it is a great way to stay connected during this difficult time.

Yours sincerely,  
Mrs K. Burke
