Wow Vouchers

Dear Parents / Carers,

We believe that parents' input towards the progress of pupils is very important, so we are asking that if you notice your child achieve or do something new, something 'WOW'! that you share this moment with us, using our WOW Vouchers. These achievements should be independent and be things that have made you think, "WOW, I did not know you could do that!"

It could be that you have noticed that your child has mastered a new skill, e.g. riding a bike without stabilizers, recognising numbers, or writing their name with the correct letter formation. Or it may be that you have noticed that your child has developed confidence or become more independent in something.

Once completed, please send the WOW voucher into school so that we can celebrate the achievement with them and put it on display. Wow vouchers are for special events or achievements, so we suggest completing 2 or 3 every half term. We will ensure that we send a supply out to you, so you always have them available, however if you are running out please do not hesitate to ask me for more.

Yours sincerely,

Miss J. Sleeman
Class Teacher
