EmpowHER

Dear Parent,

We have been selected as a school to be part of a new programme called EmpowHER.

It has been funded by Spirit of 2012, a legacy of the 2012 Olympics and the programme is aimed to empower young girls and develop their resilience and wellbeing skills through a social action project within the school community.

The girls will have the opportunity to look at inspirational women, they will work with the British Red cross on a project that supports the community giving them a sense of pride, establish leadership skills whilst working as part of a team.

The sessions will be delivered by trained Infobuzz staff and will run over 12 weeks on a Monday afternoon, **starting at 2pm and finishing at 4pm**. This will commence on **Monday 11th January 2021**. There will be between 8 and 14 girls in the EmpowHER group.

The project is free to the school and some non-identifiable data will be used to track the success of the work across the country. All data is stored electronically and securely by UK Youth, the national charity monitoring the success of the programme. The data school must provide to UK Youth is:

- First name and surname initial of child
- Date of Birth
- Ethnicity
- Home postcode (not address)
- Any SEND / FMS data etc

This is a fabulous opportunity for a group of our year 6 girls. Please complete the enclosed enrolment form, UK Youth and GDPR Consent forms and return to school by **Friday 11th December** if you would like your daughter to attend.

Yours sincerely,

Mrs K. Burke
